 \_\_\_\_\_

**Country:** \_\_\_\_\_

**Email Address (if any):** \_\_\_\_\_

**Diagnosis of the patient:**

**Treatment (include quantity of drug/ medication administered):**

**Comments on Doctor's Kit:**

---

**For Purser-in-Charge:**

**Name:** \_\_\_\_\_ **Flight No.:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**Doctor's Kit No.** \_\_\_\_\_ **Yellow Seal No. (after used):** \_\_\_\_\_

**Name of Patient:** \_\_\_\_\_

- Please record the medical case on Cabin Safety Report and with this report attached  
 - Please put a 2<sup>nd</sup> completed copy of this form inside the kit  
 - Please secured this kit with a Yellow Seal and mark down the seal no.

### NOTE

- REPORT – USE OF DOCTOR's KIT  
Location: Inside the kit
- Doctor's Kit Content List with pictures and reference number of the equipment and medicines  
Location:
  - Inside the kit
  - With the Medlink Patch Checklist in the SEP Notice Folder

The content list consists of an Equipment and Medicine List.

Crew shall use this list when Medlink has to be contacted for medical advice and the Doctor's Kit is required to be used. It assists the crew to identify the items easily when required.

Crew shall always cross check the reference number and the name of the medicine as shown by using phonetic alphabet when communicating with Medlink.
